

Math 220C: Complex Analysis (UC San Diego, spring 2017)
Problem Set 5 (due Friday, May 12)

Please turn this homework in to my department mailbox. Also, no office hours this week since I'm out of town; please email me if you require any assistance.

Also, remember that due to the qualifying exam, course evaluations for this course are due unusually early (Sunday, May 14).
